## **Golf outing raises \$55K for Rogers Memorial Hospital Foundation**

**Town of Summit, Wis.** – Proceeds from the 14th Annual Rogers Memorial Hospital Foundation Golf Outing are projected to exceed \$55,000.

About 140 golfers played in the sold-out event held July 13 at the Bristlecone Pines Golf Club. Kevin Carl, Dennis Braun, Peter Forker, and Brian Taliaferro formed the winning foursome.

“It was wonderful to see so many golfers and volunteers showing their support for our mission to provide hope, help and healing of patients at Rogers Memorial Hospital,” said Marion Heinz, Executive Director of the Rogers Memorial Foundation.

The annual event raises financial support for Rogers Memorial Hospital’s Challenge Camp for children with ADHD, and the Rogers Memorial Foundation’s Angel Fund, which helps offset the costs of children engaged in long term care at Rogers Memorial. The outing also supports patient care grants for children in Rogers Memorial’s residential treatment programs.

The 15th Annual Golf Outing is planned for Bristlecone Pines on July 12, 2010.

Rogers Memorial Hospital is Wisconsin’s largest, not-for-profit, behavioral health care provider for children, teens and adults. The hospital is nationally recognized for its residential treatment centers including the Eating Disorder Center, Obsessive-Compulsive Disorder Center, The Child Center and the Child and Adolescent Center. Rogers Memorial also provides residential treatment services for chemical dependency, inpatient and partial hospitalization, as well as day treatment programs. Rogers Memorial is licensed as a psychiatric hospital by the State of Wisconsin and accredited by The Joint Commission.
