Board-certified addictionologist joins hospital's Milwaukee facility

Nezih Hasanoglu, DO, has more than 20 years of experience

West Allis, Wis. – Nezih Hasanoglu, DO, a board-certified addictionologist and family physician, has joined the medical staff at Rogers Memorial Hospital – Milwaukee's chemical dependency services. Dr. Hasanoglu is the latest addition to the growing team of behavioral health care professionals at Rogers Memorial Hospital.

Dr. Hasanoglu has more than 20 years of experience treating addictions. Prior to joining Rogers Memorial, he served as medical director for the Center for Behavioral Health in Waukesha, Wis. Dr. Hasanoglu received his medical education from the Chicago College of Osteopathic Medicine.

Rogers Memorial Hospital offers intensive, structured treatment services for adults in all stages of addiction. The treatment team at Rogers Memorial uses components of the 12-step program to educate patients about addictive illness and facilitate the recovery process.

Rogers Memorial also provides residential treatment services for chemical dependency and assessments for impaired professionals at The Herrington Recovery Center in Oconomowoc, Wis. The center moved into its new eco-friendly building in September 2009.

Rogers Memorial is a not-for-profit behavioral health care provider for children, adolescents, adults and older adults. The hospital is nationally recognized for its residential treatment centers including The Eating Disorder Center, Obsessive-Compulsive Disorder Center, The Child Center and The Child and Adolescent Center. Rogers Memorial also provides residential treatment services for chemical dependency at The Herrington Recovery Center. Inpatient and partial hospitalization services are also available.

Rogers Memorial is licensed as a psychiatric hospital by the State of Wisconsin and accredited by The Joint Commission. It offers treatment programs at four Wisconsin locations: Oconomowoc, Milwaukee, Kenosha and Brown Deer. To learn more, call 800-767-4411 or visit www.rogershospital.org.
